Dear Parents/Carers,

Assessment Meeting, Tuesday 28th February 2017

Over the past two terms I have held two evening assessment meetings to explain about the changes to assessment in light of the 2014 curriculum changes.

It has been brought to my attention that evenings are sometimes difficult for parents to attend therefore I would like to hold a morning session on **Tuesday 28th February 2017** at 9am

The purpose of these meetings is to ensure you are informed about the changes and how this impacts on the way your child's progress and attainment is assessed throughout school. We also look at how this is reported to you at the end of the year and during parent evenings. In addition to this there will be some of the assessment materials we use which will be available for you to look at.

If you have attended the previous assessment meeting then you don't need to come as it will be very similar to those evening sessions.

It is important for you to know what is expected of your child as they move through school and I look forward to seeing you at this event.

If you have any queries about the meeting please do not hesitate to contact me.

Yours sincerely,

Gill Richardson
Headteacher
