Friday 27th January 2017

Dear Parents/Carers,

Dates for your diary

We would like to invite you to come and join us at two up and coming events.

Tuesday 7th February at 9.00am Maths Problem Solving Morning

Parents often say I don't understand the way maths is taught in school these days; so now is your chance to come in and find out. We will meet in the hall at 9.00am for a short talk about the emphasis on reasoning and problem solving in the maths curriculum. Once the introduction is over you will then be able to join your child in their class in a problem solving session until 10.35am.

Thursday 16th February at 6.00pm Bedtime Reading

To promote the importance and joy of reading we will be holding a series of bedtime stories in school at 6.00pm; children are invited to come in their onesies or pyjamas to listen to different people reading a story; hot chocolate and cookies will be available too. Parents do not have to wear their onesies or pyjamas (unless they really want to!) but must accompany their children to this event.

We really look forward to seeing you at one or both of these events. Please could you sign the slip below to say if you will be attending to give us an idea of numbers to cater for.

Yours sincerely

Gill Richardson
Headteacher

Name: Class:

I am / I am not interested in attending the **Maths Morning** on Tuesday 7th February

Please reserve me places.

Name: Class:

Will / will not be attending the **Bedtime Reading** on Thursday 16th February

I will be accompanying my child to this event.
