

Our ref SLE /TMu/Tech days 2019

March 2019

Dear Parents/Carers,

Your child is invited to the annual year 5 Design and Technology Taster Day on **Wednesday 17<sup>th</sup> July 2019**. The aim of this day is to present the students with an opportunity to sample the life in secondary school as well as allowing them to work in technology on a number of group projects. These projects will help the students develop independent thinking and practical skills, as well as experiencing working with a number of different materials.

Your son/daughter will need to arrive promptly at 9.00am at the Reception of Frogmore Community College, where they will be greeted by our Frogmore staff and students. They will then be placed in groups to complete a day of activities in areas of design and technology, which may include food technology, graphics, resistant materials and textiles.

The proposed plan of the day is shown below:

- 9.00am Arrive
- 9.15-10.30am Session 1
- 10.30-10.45am Break
- 10.45-12noon Session 2
- 12noon-12.30pm Lunch
- 12.30-1.45pm Session 3
- 1.45-3.00pm Session 4

Your son/daughter will need a packed lunch for the day.

The activities involve your son/daughter working in a food area and therefore they will come into contact with different foods. If he/she has any form of allergy or medical details that we need to be aware of, please indicate this on the attached reply slip.

It would be appreciated if this reply slip could be returned to your child's school by **Wednesday 24<sup>th</sup> April 2019** so that numbers can be finalised.

Yours sincerely

Mr S Lewis  
Subject Leader of Design and Technology

**Frogmore Community College Year 5 Design and Technology Taster Day  
Frogmore Juniors Primary Year 5 – Wednesday 17<sup>th</sup> July 2019**

Please complete as appropriate and return to your child's school by **Wednesday 24<sup>th</sup> April 2019.**
