Deputy Head - Mr R Johnson

Friday 8th February 2019

Dear Parents

After the success of our recent Rights Day, we would like to invite you into school to experience what the children did and become more knowledgeable of UN Convention of the Rights of the Child on Friday 1st March, 1.15pm – 3pm.

The rights respecting steering group will kick start the afternoon off by leading an assembly, which will be followed by them running a range of fun activities linked to the articles chosen by the children, from each Class Charter.

I hope that this afternoon will be fun and engaging, promoting knowledge and understanding of the Convention as you see your child/children as rights respecting global citizens both locally and globally.

The PTA will also be there to provide tea and coffee for a donation.

Please fill in the slip below to enable resources for the activities to be organised for the correct number of parents attending.

We all look forward to seeing you there,

Thank you for your continued support

Miss Emma Richardson

Rights Afternoon, Friday 1st March 2019

Name of parent(s):

I/we will be attending the Rights afternoon on Friday 1st March.
