

19th October 2018

Dear Parents and Carers,

Re: Ofsted Report for Frogmore Junior School

I do hope that by now you will have had the chance to read the Ofsted Report on Frogmore Junior School from the inspection on the 2nd and 3rd October. It is a very impressive report and demonstrates clearly the high quality of education that your children receive at this school and celebrates the excellent progress that they are making.

The report, which judges your school to be a good school in every category and your pupils' behaviour to be outstanding, is a great accolade to all who have contributed to this achievement. The report speaks about: a strong shared vision; well informed governors; effective teaching; a broad curriculum; outstanding pupil behaviour; positive attitudes to school and the strong progress made by pupils. The report also celebrates the role that you as parents and carers have had in promoting the strong progress being made by your children.

I was privileged to be in the school during this inspection. I can share with you that inspectors had extremely positive discussions about your children's enthusiasm for learning and about the passion and commitment of the whole staff team to do the very best for the children in their care. They were also very impressed to see how this had enabled the school to achieve the best ever results last year, with standards above the national average and very significant improvements for the most able pupils. You will see references to these discussions within the report.

I would like to use this opportunity to thank Mr McCarthy and the wonderful staff team at Frogmore Junior School for their dedication and commitment to the school and for their determination to ensure that your children can be the best that they can be. I would also like to thank Mrs Richardson and Mrs Thorpe who also contributed significantly to this Journey of improvement.

I am proud to be associated with Frogmore Junior School and look forward to continuing to work with the school on its ongoing journey to even greater heights.

Yours Sincerely

Sue Samson
