Monday 7th January 2019

Dear Parents

Rights Respecting School Day, Friday 11th January

As part of our work towards the second stage of the Rights Respecting School Award, we will be holding a Rights Day on Friday 11th January. This is so that children become more knowledgeable of their rights and as a school we are working to embed them into the school's ethos and everyday practice.

After a whole school assembly, led by the School Council/Steering group, the children will be mixed into groups and complete a carousel of activities linked to the articles chosen by the children, from each Class Charter. This will be over the course of the day and children will be issued with their own Rights Passport which will be stamped as each activity is completed. I hope they will share these with you when they bring them home at the end of the day.

One of the articles to be examined is;

Article 24 ~ Every child has the right to the best possible health.

We are planning for everyone to make a fruit salad to compliment this right and I am requesting each child makes a contribution of the following fruit:

- Hazel Class - grapes (red or green)
- Pine Class - apples
- Maple Class - strawberries
- Hawthorn Class - mandarins
- Conifer Class - orange or apple juice
- Oak Class - kiwi fruit
- Elm Class - tins of pineapple

All donations of fruit will be gratefully received over the course of this week and will enable children to take part in this activity.

I hope that this day will be fun and engaging, promoting knowledge and understanding of the Convention as our children begin to see themselves as rights respecting global citizens both locally and globally.

Thank you for your support

Miss Emma Richardson
