Dear Parent/Carer

The Atrebatas History Project - Spring Term

Frogmore Junior School will be continuing our long term history project based on prehistoric Britain (from the Stone Age settlers through the Bronze Age and Iron Age until the Romans conquered Britain). The Atrebatas (pronounced at-ray-bart-ees) were an Iron Age tribe that settled in Hampshire and Berkshire.

An afterschool club called 'The Atrebatas History Project' will be held on a Tuesday afternoons from 3.15pm to 4.15pm for the first half of the spring term from Tuesday 15th January to Tuesday 12th February. The cost is £10 for 5 sessions.

There are a limited number of places available so we will be repeating the club for the second half of the spring term from Tuesday 26th February to Tuesday 26th March. Children are welcome to apply for the full 10 sessions depending on availability; the cost for the full term is £20.

The project members will build a round house, using sand, clay, straw and wood. We will also be managing the school grounds to be able to plant trees for future construction resources.

Old, warm and waterproof clothes as well as wellington boots will be required. Please complete the form below to express your interest. You will be informed if you have secured a place.

Kind regards

Mr Johnson
Deputy Headteacher
