Dear parents,

We are in the process of organising a two night residential from **1st July – 3rd July 2019** at Runways End, near Farnborough for Year 3. This will be an extremely valuable experience which will provide opportunities and benefits to our children in a way that no other curriculum experience can offer.

Runways End is one of several Hampshire led Outdoor Centres; set in a tranquil woodland setting in North Hampshire, near Farnborough. They offer inspirational outdoor learning programmes which are focused on helping young people develop mental and physical resilience and confidence.

We will be following an 'Outdoor and Adventure' programme, which offers challenges such as orienteering, team tasks, archery and caving. We believe that by offering this experience to our Year 3 it will improve and support a number of key areas:

- Improving children's engagement with their learning
- Improving their knowledge, skills and understanding
- Support achievement
- Foster deeper relationships between each other
- Improving resilience, self-confidence and wellbeing
- Boosting cohesion and a sense of belonging

The cost of the trip will be no more than £130 per child. This includes accommodation, food and the instructors' time when leading the activities. The school does not profit in any way. We will also be asking you to take and collect your child directly from Runways End. More information about this will follow.

We will require a deposit of £35 by **Monday 4th February 2019**. This will secure a place for your child and is non-refundable.

Please complete the slip on the next page and return it to the school office by **Monday 4th February 2019**.

This will be a fantastic trip and we hope to see all the children take part!

Yours sincerely

Mr Rob Johnson
