Dear Parent/Carer

Christmas Music Concert - Tuesday 18th December

We will now be holding a Christmas Music Concert on Tuesday 18th December at 1.45pm for children who are learning an instrument, are part of the school recorder club or sing in the school choir.

The children are very keen to show off their learning skills to parents and we are keen to celebrate with you the hard work and dedication that your child has put into their extra-curricular music activities this term.

We hope you will be able to support your child on this occasion and look forward to welcoming you at the school.

Please note, after the performance children will return to their classrooms to be collected at 3.15pm.

Yours sincerely

Mr C M McCarthy
