Wednesday 14th November 2018

Dear Parents/Carers,

As part of this year’s music curriculum, your child will be learning to play the recorder. The recorder gives children the perfect opportunity to apply the concepts and skills they have learned in music. We would very much like the children to each have their own recorder. For health reasons, children may not share recorders. We are able to buy Sonata Descant Recorders, which are of a good quality in manufacture and sound, at £3.60 each.

If your child currently owns a good quality recorder which they are able to bring in and leave at school for the rest of the school year, then they will not need to purchase a new one. On the other hand, of course you would be welcome to order a second recorder to keep at home, if you wish.

I would be grateful if you would complete the slip below by **Friday 30th November**.

If you have any queries about this, then please do ask,

Many thanks for your continued support,

Mrs P Bond
Music Co-ordinator
