Deputy Head - Mr R Johnson

7th November 2018

Dear Parent/Carer

### Winchester Science Museum & Planetarium

To support our topic of Mountains to the Moon, Hazel and Maple classes are being invited to attend a school trip to Winchester Science Museum & Planetarium!

This is an incredibly exciting venue where children can learn all about the solar system and beyond as well as visiting the awesome planetarium.

The planetarium presents an unforgettable and incredible experience. Imagine lying back in a comfortable seat with a cinema screen 360° around and above your head. The enormous domed screen completely surrounds the audience, placing everyone right in the action. Relax back into a comfortable seat and get sucked into a black hole or fly through the Solar System. A fantastic shared experience that will have children reaching their hands up to touch the stars as they fly by!

The trip is on Wednesday 12th December and will cost £14.50 – this includes the cost of the coach, entrance to Winchester Science Museum & Planetarium, the ‘Destination Space’ workshop and experiencing a 45 minute extravaganza on the Planets in our Solar System in the fantastic planetarium. The trip will be during school hours and we expect to be back by the end of the school day.

The children will need to be in school uniform and bring a packed lunch with them. They do not need to bring any money with them as we will not be visiting the gift shop.

Please see the attached letter for more information and return the reply slips as soon as possible.

Yours Sincerely

Miss Richardson & Mrs Bond  
Class Teachers

Proud to be part of the **UNIVERSITY OF CHICHESTER** ACADEMY TRUST
