15th October 2018

Dear Parents and Carers,

Marchants Hill Mon 29th Oct – Fri 2nd Nov FINAL ARRANGEMENTS

The Marchants Hill visit is drawing nearer! This letter contains all the final details you need to know.

On Monday 29th October, your child should come to school in the morning as usual. School uniform need not be worn. Suitcases should be taken to the school hall, along with **named** medication and **named** pocket money wallets/purses. Pocket money should be **no more than £15.00** and handed to Mrs White. Medication, with clear instructions, should be handed to Mrs Fleming. If your child usually has a packed lunch then please send it in a carrier bag so there are no lunch boxes left at school all week.

We will be leaving for Marchants Hill at around 2.30pm on the Monday so if you would like to come back at that time to wave the children off, then please do so. Please try not to park in the school road though, as it can make it very difficult for the coach to fit through.

Just a reminder that the children do get very muddy, so old clothes are best to pack! It is a very active week and the children live in their trainers. **It is advisable to bring 2 or 3 pairs**, as one pair will get very wet. **A waterproof coat is essential.**

We will be returning to school at approximately 3.00pm on Friday 2nd November. If we are running late then we will notify school, who, in turn, will send out a text. Again, please try to avoid parking in the school road.

Please refer to the leaflet already sent home to you to help get together items your child will need. In that leaflet, there is also a list of items we do not want your child to bring, so please note if your child is found to have any of the listed items they will be confiscated.

Yours sincerely,

Mrs L Brachtvogel
