

Lower School Homework

Blue Abyss

Given out: Monday 10th September 2018

Due in: Monday 15th October 2018

This half term we are focusing on Asia (specifically India, China and Japan) and Forces. For your homework for the next few weeks you need to choose at least one of the ideas from the list below and complete it. The choice is yours! You can present it any way you like; PowerPoint, Artwork, Photographs.

After the stunning efforts of last term's homework, we look forward to seeing this term.

What is gravity? Go on...find out! You could create an experiment e.g. do heavier objects fall quicker than lighter objects?	Cook a meal from Asia. Record the ingredients, take pictures of you cooking it and the final meal.	Draw and label a diagram of a Samurai Warrior
Create fact cards about the India, Japan or China in a Top Trumps style or design a board game about Asia.	Learn a poem about Asia and recite it to the class e.g. Julia Donaldson's 'Magic Paintbrush' or create a Haiku.	Visit your local library and find non-fiction books about forces (pushing, pulling, magnets, gravity, friction). Make a fact file or presentation.
Create some art representing a Chinese Dragon. A drawing, sculpture, painting or perhaps a collage.	Write a story about an adventure in India; perhaps in the jungle with elephants and tigers or a trek in the Himalayas.	Make a tourist leaflet for people visiting the Great wall of China.

You will get the opportunity to share your work with your class and parents on Thursday 18th October 2018 at 3.15pm

Turn over for this half term's vocabulary.

Year 3 Vocabulary

Week 2 & 3

(10/9/18 & 17/9/18):

Hindu

Buddhism

Himalayas
