5th September 2018

Dear parents,

Star-gazing at Frogmore Junior School

As part of our stunning start for this term’s topic ‘A View from Space’, we would like to invite you and your child to come star-gazing at Frogmore on Friday 14th September.

We will be looking up to the skies from 7.30pm until 9.30pm, weather permitting. Should we need to cancel the event, we will send a text message on the day. If you do not hear from us then please assume that we are going ahead.

In the week leading up to this event, we will be discussing constellations and the night sky with the children and would encourage you to follow this up at home, as much as possible. There is a wide variety of apps available to help you to interpret the view from Earth and you are welcome to use these at the event. In class, we will be using Star Walk and Skyview Lite, but would be happy to receive any recommendations to supplement these.

Please note that you are responsible for your child during this event, but that you are welcome to bring any sibling(s) too. Please indicate on the slip below how many people will be attending. Hot chocolate, squash and biscuits will be available, donations gratefully accepted.

If you have any questions, please don’t hesitate to contact us,

Yours sincerely,

Mrs Bond & Miss Richardson

FAO: Mrs Bond or Miss Richardson
